RECEIVERS FOR NEW HOTEL

Six Creditors of the Powheten File

Petition in Court.

Justice Barnard yesterday appointed receivers for the Hotel Powhatar, at Eighteenth Street and Pennsylvanta, avenue Northwest. The hotel was opened October II hest, and the appointment of the receivers followed the filing of a petition by elx creditors of the botel company. J. Barrett Carter, Thaddess, C. Dulin and Elwood S. Duvall, jr., were appointed receivers and their bond was fixed at 18400.

Plaintiffs in the suit are G. G. Cornwell & Son, C. Engel Sons, Dulin & Martin Company, Milburn, Heister & Co., W. B. Moses & Sons, and the G. A. Puller Company, The defendants are the Lewis Hotel Company, and Alexander McNetl, Ciliford Lewis, Harold A. Lewis, Eugene C. Quinn and Edward R. Carpenter, officers and directors. The plaintiffs estimate that the property is worth \$255.00. The petition for a receiver was filed to forestall a threatened suit by out-of-town creditors, who demanded to be given a chattel mortage to secure their claim and to have an attachment levied.

their claim and to have an attachment levied.
According to Clifford M. Lewis, manager of the Pownstan, the receivership was asked in view of the fact that an out-of-town cellur has been pressing for payment. He says the receivership is merely temporary, as the hotel is entirely solvent and doing a profitable business. Not only in the hotel well filled at present, but its buckings for the in-aisuraxition will fill the house.

The Fowhatan will be continued under the management of Mr. Lewis, who will conduct it with the same high standard which has made it so popular.

Objecting to be taxed as citizens of the United States, fifteen Pueblo Indians, representing about \$1.500 civilized Indians in New Moxics, wearing gay clothes and carrings in their ears, vesterday appealed to Representative Pergussion of New Mexico Lescislature, which holds that they should be taxed under State laws. The Indians are now the only ones in the United States citized to vote, but they would prefer not to vote and avoid taxation if one must be accompanied by the other. They will appear before the Schate Indian Committee this week. They are said to have emisted the support of the Socretary of the Interior in their effort to escape taxation.
